All-Hands Meeting 2011
Poster Hanging Instructions

The poster session will be taking place on floor B1 of the San Diego Supercomputer Building, in the East wing. See Maps on the following pages.

The easels and poster boards will be set up for poster hanging at 12:00 PM on Friday. You can set up your posters any time after that. The poster session begins at 6:00 PM.

Note the number next to your title on the poster list and hang your poster on the easel with the corresponding number.

For those of you that have requested demos, there will be tables set up adjacent to the easels – feel free to position them as you see fit. Each easel and poster board has 4 binder clips for you to hang your poster. There will be blue painter's tape available if you need it.

You must remove your posters and take them with you at the end of the poster session (9:00 PM Friday night). If you leave your posters overnight, you do so at your own risk – cleaning crew, grad students, faculty and staff will have access to the common areas where the easels are located. If you do not claim your posters by 12:00 PM on Saturday, we will remove them and dispose of them.
