The poster session will take place on floor B1 of the San Diego Supercomputer Center, East Expansion in the Synthesis Center.

The easels and poster boards will be set up for poster hanging at 10:15AM and 12:30PM, during morning break and lunch on Friday. You can set up your posters and/or demos at that time, we recommend during lunch. The poster session begins at 5:00PM. Note the number next to your title on the poster/demo list included in your registration folder, and hang your poster in the wall space or on the easel with the corresponding number. For those of you that will be presenting demos, there will be tables set up with your corresponding number taped to the top.

Each easel and poster board has 4 binder clips for you to hang your poster. There will be blue painter’s tape available for those with wall space to tape your poster to the wall.

If UCSD has printed your poster for you, it will be available in the Synthesis Center on floor B1 of the San Diego Supercomputer Center, East Expansion after 9:00AM on Friday, January 22, 2016.

You must remove your posters and take them with you at the end of the poster session (8:30 PM Friday night). If you do not claim your posters by 9:00 PM on Friday, we will remove them and dispose of them.
