From Interstate 5
Exit at Genesee Avenue and head west.
Turn left onto North Torrey Pines Rd.
Turn left onto North Point Drive.

The UCSD Visitor Information Center is located on North Point Drive, where you may obtain specific directions, visitor parking information and passes, and a campus map.

Bear right onto Hopkins Drive.
Turn left onto Voigt Drive.
The Jacobs School of Engineering buildings are on the right-hand side of the road, across from parking lot P502.

Nearby parking lots include: P503, P502, and P508.
DIRECTIONS FROM DORMS TO MOCAP

Once you enter the San Diego Supercomputer Building (SDSC) continue through the lobby and go down one flight of stairs. Continue through that lobby, go outside, and down that flight of stairs. The MOCAP room is on the left.
Walk through the Engineering Campus courtyard and under Atkinson Hall. Make a left on Canyonview Road/Voigt drive and continue up the hill. Make a right at the 4-way stop and walk past the parking structure. The next building on the left is SDSC east. Walk to the courtyard of the building, stopping at the foot of the stairs. The MoCap room is to the right.
